STAT

I wish to express my sincere thanks to you and your staff for the courtesies extended to a group from the Agency who visited the Port of Baltimore on 16 June. Your briefing and tour were outstanding in every respect. The manner in which you went all out to ensure that the participants were comfortable and enjoyed themselves deserves special recognition. The entire group found the tour to be most informative and interesting; the experience will be an asset to the analysts in their work.

Cooperation such as yours makes our job easier and is highly appreciated.

Sincerely,

STAT
